FAQS

HOW DO WE CONNECT GIRLS WITH CAREER POSSIBILITIES ON LONG ISLAND?

Allowing businesses and organizations to invest in their futures through Girls Inc. of Long Island by bringing together specially invited representatives from businesses, nonprofit organizations, employers, and funders, along with community leaders and guests of GILI, to explore opportunities to invest in girls through financial support, career exposure, expertise, and sustained partnerships.

WHAT DO WE BRING TO THIS EVENT?

Introduce your work and the variety of careers within your company. Share the skills, education, and training those roles involve, invite questions, and help girls connect their interests with possibilities they may not have considered.

> **"Girls Inc. of Long Island helped me learn about new careers by seeing how women fit into different careers and opportunities I didn't think we would have."**
>
> **- Myra, age 14**

WHAT CAN WE SUPPORT?

Sponsor the event, make a donation, or explore a year-round partnership. Other opportunities include mentoring, workplace visits, STEM experiences, age-appropriate job shadowing and internships, and defined pro bono projects delivered by partner corporations aligned with GILI's needs.

HOW DOES MY SUPPORT IMPACT GIRLS ON LONG ISLAND?

It supports GILI's work helping girls build the knowledge, confidence, and skills to become healthy, educated, and independent. Contact GILI for current sponsorship levels and opportunities aligned with your organization's priorities.

HOW DO WE ENGAGE WITH GIRLS & FAMILIES THROUGH SCHOOLS?

GILI works with each district to determine who may engage, what is appropriate, and where and how engagement takes place. Opportunities reflect district needs, preferences, and requirements and the agreed scope of each partnership.

HOW CAN GUESTS DONATE OR DISCUSS PARTNERSHIPS?

The event plan includes separate donation and partnership-interest QR codes, pledge forms, and a staffed giving and partnership station. Available payment methods will be confirmed in event materials.
